MANAV STHALI GLOBAL SCHOOL

CLASS II: SYLLABUS (2026-27)

II TERM

ENGLISH

NOTE:

1. Reading and recitation, spell check, glossary, construction of sentences, framing and answering questions and language drills based on each lesson will be a continuous and integral part of each chapter.

2. Oral and written tasks related to each lesson will also be done.

(Text Book + Practice Book)

October'26

Lesson 6: The Baseball Bat

Language Study: Articles

Spoken Ability: My Favourite Sport

Choose your favourite sport and speak a few sentences about it. Tell us the name of the sport, how it is played, where it is played, what things are needed to play it and why you like it. You can also tell us the name of your favourite player.

Writing Ability: Write 8 sentences on the topic 'Importance of Sports.'

Practice Book: Worksheet 6

November'26

Lesson 7: Raman Finds the Donkey

Language Study: Action words

Fun Activity: Students will become **'Animal Sound Detectives'** and help Raman identify different animals by their sounds. They will match sounds such as **bray, moo, meow, neigh and bark** with the correct animal names in the notebook and then imitate an animal sound for their classmates to guess.

Writing Ability: Write 10 sentences on 'My Favourite Festival.'

IPC Integrated Activity: Unit: Homes and Houses

Students will look at pictures of different homes and animal shelters and sort them into **homes for people** and **homes for animals**. They will identify places such as **houses, apartments, huts, stables, kennels and barns.** Students will then discuss whether animals need the same kind of homes as people and explain why.

December'26

Lesson 9: How to Do It?

Language Study: Adverb

Writing Ability: Picture Composition: A picture will be shown on the **Smart Board**. Students will observe the picture and describe how people or animals are doing different actions, using words such as **quickly, slowly, happily, loudly** and **quietly.**

IPC Integrated Activity: Unit: How are you?

Students will choose three foods and connect each food to an activity that needs energy. They will speak simple sentences using action words and adverbs, such as *"*I eat a banana and run quickly.
Verse Pleasure: Sand Castle
Practice Book: Worksheet 9

January'27
Lesson 10: Diggy Bot's Eggplant
Language Study: Pronouns
IPC Activity – Unit – Creators and Communication
My Robot Helper-Students will draw a simple robot and write or label 3 things it can do using technology, such as cleaning, talking and helping. They can also give their robot a name and share one way their robot could help them at home or school.
Practice Book: Worksheet 10

February'27
Lesson 11: Where Did It Come From?
Language Study: Position words
Spoken Ability: Speak on the topic 'What should we do to save the earth?
Verse Pleasure: Twenty Little Snowflakes
Fun Activity: Students will draw a snowflake in the centre of their notebook and create a web around it by writing words related to snowflakes, such as their colour, shape, how they feel, where they fall from, where they are seen and one describing word.
Practice Book: Worksheet 11

March'27
Lesson 12: A Visit to the Jungle
Language Study: Joining words
Writing Ability: Write 10 sentences on the topic **'The Tiger: Our National Animal"**
Practice Book: Worksheet 12

MATHEMATICS

Note:

-Interesting games on mathematical concepts, quick calculations, Olympiad based questions, dodging of tables will be done thoroughly.

-Activities, oral and Mental Math, HOTS, Quick Check, Critical Thinking, Target Olympiad will be an integral part of each concept.

OCTOBER'26

Chapter 7: Addition and Subtraction up to 999 (Ex 7.1 to 7.5)

Dodging of tables up to 8

ACTIVITY: Roll, Make & Solve: Children will roll dice to create 2- or 3-digit numbers, then add or subtract the numbers using place-value columns.

NOVEMBER'26

Chapter 7: Addition and Subtraction up to 999 (Ex 7.6 and 7.7)

Chapter 11: Time (Ex 11.1 and 11.3)

Table of 9

Activity:
